

Introduction

EHICPlus Travel Insurance is a contract between you and Mapfre Asistencia trading in the United Kingdom under the name of Mapfre Asistencia, with registered office at 5th Floor, Alpha House, 24a Lime Street, London, EC3M 7HS; and corporate tax number 680/1807623857. Mapfre Asistencia is authorised by the Financial Services Authority. This can be checked on the FSA's register by visiting the FSA's website at www.fsa.gov.uk/register or by contacting them on 0845 606 1234.

The product is designed specifically to supplement the EHIC Card, which entitles citizens of EU member states to Public Health Care treatment.

It is a prerequisite to purchasing this insurance policy that you hold a valid European Health Insurance Card (EHIC).

European Health Insurance Card (EHIC) definition

If you are a UK resident, you are entitled to medical treatment that becomes necessary, at reduced cost or sometimes free, when temporarily visiting a European Union (EU) country, Iceland, Liechtenstein, Norway or Switzerland. Only treatment provided under the state scheme is covered. However, to obtain treatment you will need to take a European Health Insurance Card (EHIC) with you.

To obtain an EHIC Card you can apply:

- By calling 0845 606 2030; or
- By picking up an application form from the Post Office; or
- On the internet at www.ehic.org.uk/Internet/home.do; or
- www.dh.gov.uk/PolicyAndGuidance/HealthAdviceForTravellers/fs/en.

What does the EHIC cover?

The EHIC is normally valid for three to five years and covers any medical treatment that becomes necessary during your trip, because of either illness or an accident. The card gives access to state-provided medical treatment only, and you will be treated on the same basis as an 'insured' person living in the country you are visiting. Remember, this might not cover all the things you would expect to get free of charge from the NHS in the UK.

Significant and unusual exclusions or limitations

There are some exclusions in your policy. Please refer to your Policy Wording for full details, but the most significant or unusual exclusions and limitations are:

Private Medical Care Expenses

This insurance policy provides no private medical care expenses coverage because it is limited to trips to and within European countries that are members of the reciprocal health agreement that underpin the European Health Insurance Card (EHIC).

If you do not intend to utilise your EHIC entitlement to cover your medical care expenses whilst on your trip(s) or are not willing and able to pay for any private medical costs incurred (unless authorised by the Insurers) then it does not meet your demands and needs.

Health

The policy contains conditions relating to the health of people travelling and other people on whom your trip depends – even if they are not travelling themselves.

If you answer 'Yes' to any of the Medical Screening Criteria Questions as detailed on the website, you must complete the medical screening questionnaire online or contact the Medical Screening Line on 08450 555 222. If you do not do this, your claim may be prejudiced.

Cover is not provided for any claims where, at the time of taking out this insurance (and in the case of Annual Multi-trip at the time of booking each trip), the person whose condition gives rise to a claim (whether they are an insured person, a close relative or other non-traveller on whom the trip depends):

- is waiting for an operation, hospital consultation (other than for regular check ups for a stable condition), or other hospital treatment or investigations, or are awaiting the results of any tests or investigations; or
- has received a terminal prognosis; or
- is travelling against medical advice or for the purpose of obtaining treatment.

Annual Multi-trip Policy: On-going Health Warranty

If there is a significant change in your medical condition or if you develop a new condition (after you have taken out this insurance, but before you travel) and you answer 'YES' to any of the Medical Screening Questions, you must contact the Medical Screening Line immediately on 08450 555 222. They will tell you if cover can continue. The insurers reserve the right to amend the terms of, or cancel your Policy.

Medical Screening

If you need Medical Screening you will be asked simple questions about your medical condition, medication, trips to the doctors and other related matters. If as a consequence, at the end of the process we may impose special terms, such as an Additional Premium and a higher policy excess. If special terms apply to your policy, these will be advised to you and confirmed in writing.

Excess and Additional Premium

You will be responsible for the first part of a claim made under certain sections of this insurance (as detailed in the Schedule of Cover on pages 5 and 6 of your Policy Wording) – this is known as the 'Excess'. Please note that all limits and excesses are per person. You might be required to pay an Additional Premium to cover your declared pre-existing medical condition, and/or an additional excess may be applied.

Cancellation, Loss of Deposit or Curtailment

You are not covered for any circumstances that could be reasonably expected to result in a claim at the time you took out the insurance, or if you have an Annual Multi-Trip policy, when you booked the trip if this was later.

Property and Money

Your policy provides cover for loss or damage to your personal possessions, however an amount may be taken off for age, wear and depreciation if you cannot provide original proof of purchase/receipts.

There is no cover for:

- loss of personal possessions or money if you cannot produce a police report or an airline property irregularity report to substantiate the claim.
- loss of valuables that are left unattended for instance, in a suitcase or a vehicle or in the custody of airlines or other carriers.

The policy also contains maximum amounts that can be claimed for individual items, valuable items, sports equipment and cash. Your policy provides full details of these limits.

Personal Liability

There is no cover where you are held responsible for any damage or injury as a result of using a vehicle, aircraft or watercraft.

Hazardous Activities

Your travel insurance policy does not automatically cover you for all activities. If you are going to take part in any activity that may be considered hazardous (such as flying in an aircraft that isn't fully licensed for use by passengers; bungee jumping; doing manual work or other hazardous job; mountaineering; hot air ballooning (other than provided by a licensed operator only and excluding piloting); parachuting; taking part in professional sports; pot holing; racing other than on foot; or taking part in underwater activities more than 30 metres below the surface), please check a list of Acceptable Activities below or contact us on 08450 555 222 or email us at info@ehicplus.com.
